2021-2022 Full-Time Adult Student Information/Financial Obligation

Applying for a tuition waiver

Eligible students wishing to apply for a tuition waiver must complete a Tuition Waiver Request form (available at, <https://www.cttech.org/adult-education/>) no later than four weeks prior to the first class session.

- **Veterans** requesting a tuition waiver must attach a copy of their Certificate of Release or Discharge (DD Form 214) (90 days of honorable active duty service in addition to that spent in active duty training and in attendance at military service academies for any war period after August 2, 1990 or engaged in combat or in combat support role in specific conflicts prior to August 2, 1990);
- **Senior Citizens** – Students age 62 and over requesting a waiver must attach a copy of their proof of age;
- Unemployment compensation is **NOT** a means-tested benefit program and therefore is not considered when determining financial hardship;
- Students whose tuition is being paid by another state agency must submit written documentation (i.e. voucher) identifying the agency responsible for payment.
- Students receiving educational assistance benefits under the G.I Bill from the Veterans Administration must submit enrollment verification or training agreement. The student should provide the school Certification Officer, VA Form 22-1999 and VA Form 22-1999b for submission to the Veterans Administration to receive the education benefits payment form VA.
- If a student is denied tuition waiver, all tuition and fees are due by the next class session.

Applying for a Pell grant

- Admitted students must complete the Free Application for Federal Student Aid (FAFSA). It is recommended that the student completes the FAFSA after completion and submission of the prior year's IRS tax return in order to avoid delay and having to go back to change information or making corrections. The completion and submission of the prior year's IRS tax return will allow the student and or parent(s) to use the IRS data retrieval tool when prompted during the FAFSA completion and will provide accurate financial information and therefore expedite the award process.
- Admitted students must submit a valid Student Aid Report (SAR) and complete a CTECS Financial Aid Application Packet available from the school's financial aid liaison.
- **Applicants applying and accepted for a program can still apply for a Pell grant.**
- If a student is deemed ineligible for financial aid, outstanding tuition is due five days following receipt of the denial notification.
- If a student is notified that their financial aid award will not cover the entire semester tuition cost, all tuition and fees are due five days following receipt of the award notice or by the regular tuition deadline, whichever is later.
- The federal government randomly selects Pell grant applications for verification. If your application is selected for verification, you will be notified by the Financial Aid Administrator and additional supporting documentation must be submitted by the specified deadline.

Procedures for Withdrawal

In order to officially withdraw from an adult education program in the CTECS and be considered for a tuition refund, candidates must complete and **submit to the school's Guidance Office**, the following two documents available from the district's Adult Education webpage (<http://www.cttech.org/adult-education.html>):

1. **Student Withdrawal Form**
2. **Request for Tuition Refund Form (Appendix IX)**

Upon approval of the Student Withdrawal Form by a school administrator (principal or assistant principal), students may be eligible for a tuition refund.
